

OUR SUCCESSES

2019 ACCOMPLISHMENTS

Throughout 2019, MACV was able to expand Minnesota's focus on reducing the number of Veterans on the Minnesota Homeless Veterans Registry. MACV's programs and direct financial assistance helped more than 1,000 Veterans achieve sustainable housing. Case managers provided ongoing and dedicated support to help Veterans identify their barriers, create goals and achieve success through housing, employment and legal programs.

An intense commitment to building partnerships led to an additional family transitional home, another Minnesota Homeless Continuum being declared as having defeated Veteran homelessness and an expanding network of landlord allies. Together these partnerships have broken barriers to ensure that Veterans obtain permanent housing solutions.

New Headquarters

MACV enhanced its ability to serve Veteran clients by relocating from Minneapolis to St. Paul. Located directly on the Green Line light rail, the new office enables clients to walk in and immediately be assessed for housing, employment, legal and other services. St. Paul Mayor Melvin Carter officiated the ribbon cutting in September.

Spirit of Minnesota Tribute Bell

Gifted to MACV by Wells Fargo, the specially forged Spirit of Minnesota Tribute Bell has been widely used throughout the Veteran community to commemorate special occasions and accomplishments. The bell was cast with personal artifacts donated by Minnesota Veterans as a moving symbol for the community.

Home For The Holidays

Volunteers from throughout the Twin Cities pitched in to staff phone banks to benefit MACV. WCCO-4 viewers responded to generous corporate financial matches, resulting in more than \$375,000 raised over two phone banks.

HOLIDAY STAND DOWN

In conjunction with WCCO-4's "Home for the Holidays," the Minnesota Twins showcased MACV as part of the baseball club's "Holiday Week of Giving." The team provided Target Field as a venue to host a special holiday Stand Down. More than 360 Veterans received assistance from 40 service providers throughout the day. Twenty-six Veterans filled out applications to gain employment, and more than 20 Veterans filled out applications for provisional housing. Delaware North Catering provided Veterans a delicious holiday meal.
