## MORE THAN A THANK YOU

Sometimes our veterans need more than just a “thank you for your service”. That’s why we created the Salute to Servicewomen Golf Classic. This event honors all women veterans AND gives more than just a “thank you” to those who find themselves homeless after leaving military service.

In 2019, this event raised enough money to provide monthly operational costs for two transitional homes and helped veterans move into permanent housing. In 2020, Covid-19 added additional challenges including cancelling our event. In 2021, monies raised will continue to support MACV housing for women veterans and families.

## IT’S A NEW BEGINNING

Unlike traditional temporary shelters, transitional housing creates a stable environment—a place the veteran can work on her future without worrying about where she will sleep each night. Minnesota Assistance Council for Veterans’ (a 501(c)3 organization) provides the home and a case manager to support the veteran’s efforts toward self-sufficiency.

Your participation as a sponsor or golfer is essential in making these resources available for helping our heroes.
