Partner Spotlight

MACV recently benefitted from the generosity of Navy service members during the **Minneapolis Navy Week** from September 26-October 2. Navy personnel assisted our staff with cleaning up the landscaping at one of MACV's supportive housing properties in Minneapolis. We appreciate the positive attitude of these service members and their willingness to get their hands dirty to help their brothers- and sisters-in-arms. Read more about their project [here!](#)

You Can Help End Veteran Homelessness

MACV relies on our supporters more than ever as we continue to navigate an evolving pandemic, return to in-person life, and the changing seasons.

Minnesota nonprofits and schools are working hard to help keep us healthy, meet basic needs, and gather around common goals, interests, and experiences. They are also addressing the long-term economic impacts of the pandemic, which puts even more Veterans at-risk of homelessness.

Are you a Veteran in need or know a Veteran that needs help?
