Client Story

“I wouldn’t be where I am today without MACV.” -Housed Army Veteran Tootie

When Covid hit, Tootie lost her job and, as a result, found herself facing an eviction. Tootie was able to move in with a friend briefly until that apartment unexpectedly had water damage.

At 62, Tootie’s biggest dream is long-term stability. She’s employed full-time and cherishes spending time with her grandkids. With MACV’s help, she has a roof over her head to call home. [Click here](#) to read Tootie's full story!

23V Recon is a 14-week program by community partner 23rd Veteran which helps Veterans rebuild their health through outdoor activities and psychological training.

Donor Spotlight

The Home Depot Foundation

We are thrilled to announce a major award from Home Depot Foundation's Veteran Housing Grant program. This comprehensive funding allows us to expedite the rehabilitation and renovation of the donated Arlington House property in St. Paul. On top of allowing MACV to stay true to our value of providing dignified, high quality housing to our property residents, we can do so on a shorter timeline than initially planned. MACV and our community partners thank you, Home Depot Foundation, for your outstanding show of support for Veterans starting a new chapter in their lives. We look forward to keeping our stakeholders updated on the critical work this grant will fuel in the months ahead.

The Hennepin County Bar Association

We are immensely thankful for the Hennepin County Bar Association's dedication to helping Veterans living in Minnesota rebuild their lives! The foundation's commitment has resulted in more than \$55,000 donated to our groundbreaking Vetlaw program over the past 13 years. Thank you for steadily supporting one of MACV's highest-performing programs at MACV today.
