A Great Way to Give Back and Help our Veterans!

Our Move-in Kits are a unique way MACV is working with partners and members of the community to end Veterans homelessness in Minnesota. With every kit you make, you are directly supporting a Veteran and their family as we move them out of homelessness and into stable housing. Each kit provides items such as regular maintenance and cleaning items, and kitchen and bathroom items. Having to supply all of these items at once can take a toll on struggling Veterans, by providing a Move-In Kit you are helping alleviate the stress of moving into a home!
